## **Before Arrival**

Before your visit please complete the pre-activity and review this School Visit Guide. Also, be sure we have the contact information of your designated point person, who will be contacted on the day off if necessary. You provided this information when you filled out the registration form. Please let us know of any updates. Please divide your group into smaller groups of 10 students each with at least 1 adult chaperone per group.

## **Arrival**

Please arrive 15 minutes early so that you can unload your bus and use the restrooms. Your program will begin at its scheduled time. If you are more than 20 minutes late, we cannot guarantee that students will be able to have a full program. Please make every effort to be on time. If your bus is delayed please call 508-877-7630 x3303 or x3601 to let us know. Please review the driving directions before your visit.

Please have students dress appropriately for the weather (e.g., warm jacket, sunglasses, rain coat, etc.).

## **Accessibility**

The Garden's Education Center bathrooms are wheelchair accessible. The Garden's pathways are made of natural materials; the terrain is uneven, and too steep for most wheelchairs. If you have students in your group with mobility issues, we encourage you to sign up in advance for a cart tour. The cart can accommodate a maximum of 7 participants.

## **Lunch**

Eating is permitted at our outdoor, covered Picnic Pavilion. The Pavilion can accommodate approximately 65 people. Seating is open to the public and we are not able to reserve seats in advance.

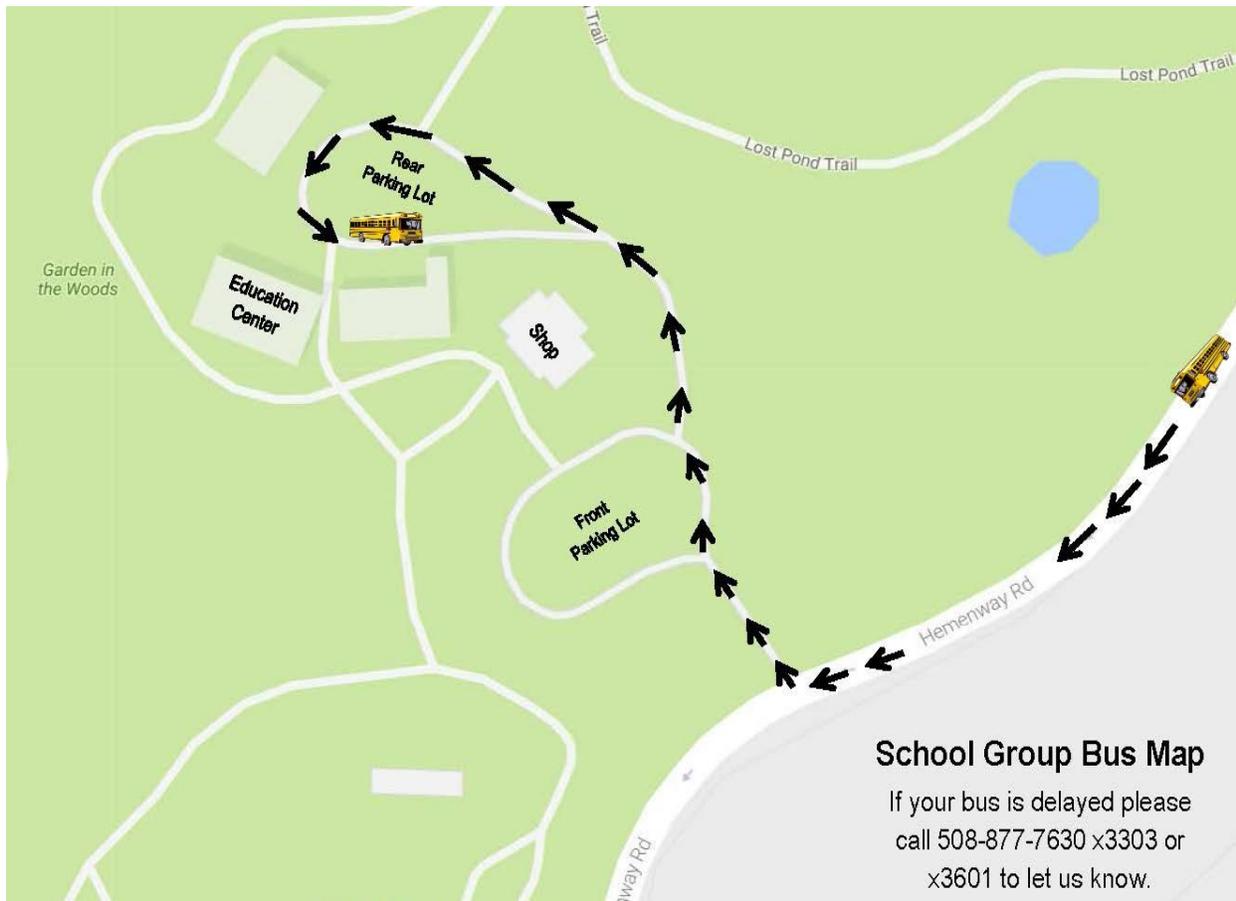

## **Directions**

### **Driving Directions**

Garden in the Woods is located at: 180 Hemenway Road, Framingham, MA 01701. A 40-minute drive from Boston or Worcester. [Click here](#) for directions via Google Maps.

### **School Buses**

When you arrive at the Garden, please drive through the gate and straight back into the rear parking lot. Do not turn left into the front parking lot; your bus will get stuck! As you enter the rear lot, bear right and then loop around the lot so that your buses door is in front of the Education Center gate. Please do not unload your bus until you are greeted by a Teacher Naturalist or staff member. Once all passengers are unloaded, please exit the Garden by driving straight out through the gate and then taking a right onto the one-way Hemenway Road. Your bus may park at the bottom of the hill, if there is space, where Hemenway flattens out and meets the neighborhood street again. Buses are not allowed to park in the Garden during the tour. (See map on the following page.)
